

Sponsorship Opportunities

Your financial gift provides critical education about organ, eye and tissue donation in our community and supports Team Iowa's participation in the Games. The tragic reality remains that there are many more people waiting for transplants than there are organs available. By providing education about organ, eye and tissue donation and celebrating the life-saving and life-restoring benefits of transplantation, we are able to increase public support.

Your contribution guarantees an opportunity to be included in all promotional materials, including our website and team shirt. The following sponsorship levels are available and must be confirmed by January 1, 2022:

- **Platinum \$25,000**
