

DONOR FAMILY APPLICATION

Team Iowa will proudly sponsor the participation of one donor family from our area at the 2018 Transplant Games of America in **Meadowlands, New Jersey from July 17-22, 2020**. Sponsorship includes travel, accommodations, and meals for the donor family. Through the open application process, individuals may nominate a family to participate or a family may directly apply. A Donor Family Nomination Application or a Donor Family Application must be filled out for consideration.

Please note that we welcome all families interested in participating in the Games. While we are only able to financially support one family's participation, all families are invited to join the team and participate at their own expense. Families who have previously been sponsored by Iowa Donor Network/Team Iowa to attend either the Transplant Games or the Rose Parade are not eligible for sponsorship but are invited to join the team. To learn more about Team Iowa and the Games, please visit the team website at IowaDonorNetwork.org.
