

Light Up For Life in Celebration of National Donate Life Month

Iowa Donor Network and Iowa Lions Eye Bank invite you to join us in a statewide challenge to Light Up For Life this April in celebration of National Donate Life Month. Iowa Donor Network and Iowa Lions Eye Bank are partnering with hospitals, businesses, and civic organizations to light their buildings green or green and blue. Become a symbol of hope and help us raise awareness about the importance of registered organ, eye, and tissue donors.

Illuminating your building in Donate Life colors will show your support for donation and inspire more Iowans to register as organ, eye, and tissue donors to help save and heal lives. Be sure to share pictures of your building all lit up on social media, tag @IowaDonorNetwork, use #LightUpForLife, and encourage people to register at IowaDonorNetwork.org.

A limited number of green 8.5" x 11" light gels are available at no cost, while supplies last, or green lightbulbs may be purchased at most hardware stores. To request your free light gels, please contact your IDN representative.

For more information about Light Up For Life, contact us at contact@iadn.org.
