

# Quilts of Gratitude: Honoring Organ Donors Through the Art of Quilting

Iowa Donor Network is seeking volunteer quilters to show our gratitude to our organ donors through the art of quilting. Each handmade quilt is gently placed over the donor as a symbol of dignity, compassion, and appreciation of the life they are giving to others and representing the care and appreciation of an entire community. Your work will provide comfort and a lasting tribute to those who give the ultimate gift and serve as a keepsake for their loved ones.

- Twin sized - brand new (approximately 70"x90")
- Prefer greens and blues to honor donation or gender neutral colors and patterns.
- Hawkeye and Cyclone patterns are always welcome!
- Free of Smoke and pet hair

If you are interested in volunteering or have additional questions please email: [donorfamilycareinbox@iadn.org](mailto:donorfamilycareinbox@iadn.org)
